

MANNA

BUILDING UP THE ANGLICAN CHURCHES IN
MOZAMBIQUE & ANGOLA

Annual Report 2016

REG CHARITY NO. 262818

who we are

MANNA, a UK registered charity, exists to support the Anglican churches in Mozambique & Angola. Our commitment to these churches dates back 100 years and has enabled them to grow and thrive. Today there are over 800 churches in these vast countries.

our vision

Our vision is to strengthen & equip these local churches because we believe they are best placed to respond to the huge challenges of poverty, injustice, lack of education & health infrastructure.

Our vision is to see the local communities transformed by God through the Anglican churches, their worship, their mission & their community development programmes.

the need

The financial support that MANNA provides for the Dioceses of Lebombo, Niassa & Angola is a cornerstone for these churches.

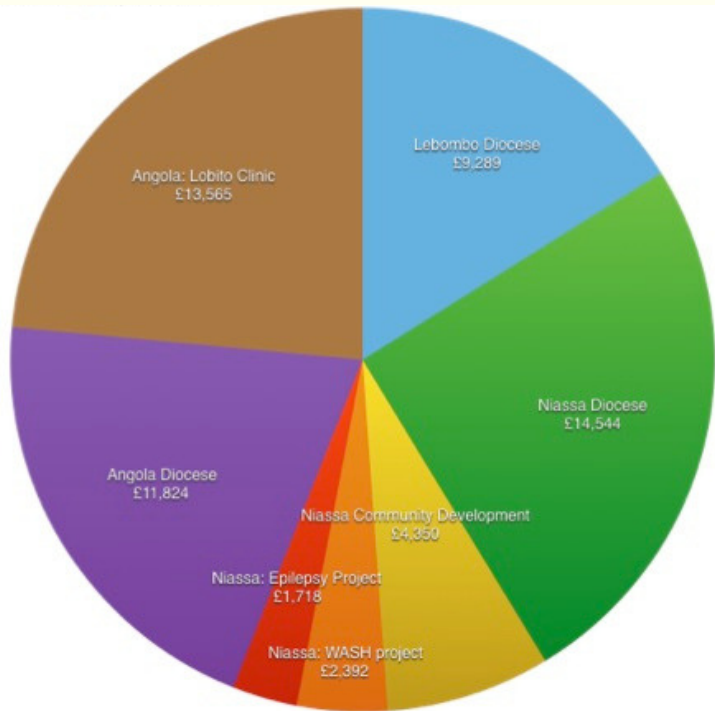

Already by 2010 24% of Christians were in sub-Saharan Africa. By 2050, 4 out of every 10 Christians will be in sub-Saharan Africa. It is vital to continue to grow the support in the UK to facilitate these churches.

Because of the huge growth in these congregations, all the dioceses have plans to multiply their dioceses, churches buildings & community development programmes but they need our help to do this.

our impact in 2016

In 2016, MANNA sent grants totalling £57,682 to the Dioceses of Lebombo, Niassa & Angola.

our funds & costs

Fundraising and governance costs were less than 10% of our total expenditure.

Could you, your church or business support us?

Only 4.5% of our income comes from investments; the remainder comes from individuals, churches and organisations: we rely on you.
